

SLM-SELL Side_108.0_Supplier-Certification Upload

Suppliers to Lear have a number of addresses. Each of these addresses (shipping) have different certificate requirements.

E.g: * Environmental and Quality certificates are specific to a shipping location.

* Diversity Supplier Certificate is specific to HQ.

Certificate Type Name

- MSME Certificate – (Micro, Small & Medium Enterprises)
- Distributor Certificate
- Heat Treatment Certificate
- Quality Certificate
- Environmental Certificate
- Diversity Certificate

The supplier logs on to SLM system with their ID and uploads their certificates for each address.

- You can upload new certificates requested by Lear.
- You can upload updates for certificates that have expired or will expire soon.

The supplier certificate approval workflow runs as follows:

A supplier uploads a new certificate on the sell side. The changes are transferred to the BUY side.

The approver can either accept or reject the workflow item.

- If the approver accepts the work item, the process runs as follows:
 - The certificate is accepted.
 - The workflow is completed and the supplier receives an e-mail approval notification.
- If the approver rejects the work item, the process runs as follows:
 - The certificate is not transferred to the supplier data.
 - The workflow is completed and the supplier receives an e-mail rejection notification.

Upload Certificates

Click on the icon to upload certificates. A new screen/window opens.

1. Select Address Type
2. Select Address Name
3. Enter the name in the field: Certificate Name
4. Enter field: Issued By
5. Enter the field: Valid To:
6. Key in field: File Description
7. Browse the certificate to upload them by clicking on Browse and locating the file.
8. Then click on "Upload Certificate".

The screenshot shows the SAP Supplier Data Maintenance interface. The left sidebar has a red box around the 'Certificates' link. The main area displays the 'Upload Certificate' form for a 'Diversity Status Certificate'. The form includes fields for Certificate Name (Document), Issued By (ISO), Valid To (30.06.2016), File Description (Diversity), and File Name (C:\Users\kundgol\Browse...). A green circle with the number 4 is positioned to the right of the form. Below the form, a 'Messages' section shows a confirmation: 'Certificate has been created; still pending approval'. At the bottom, a table lists the certificates.

Certificate	Valid To	Expires In	Address	Status	Action
Diversity Status Certificate	30.06.2016	Less than 1 Month		Pending Approval	[icon]
Training	30.06.2016	Less than 1 Month		Pending Approval	[icon]
Environmental Status Certificate		Optional Certificate Missing		[icon]	[icon]
Quality Status Certificate		Optional Certificate Missing		[icon]	[icon]
Octroi		Optional Certificate Missing		[icon]	[icon]
